MATTHEW 5:1-26

SUNDAY SCHOOL READING PLAN

EXODUS 25:23-40

THE TABLE

25 ²³ “You are to construct a table of acacia wood, thirty-six inches long, eighteen inches wide, and twenty-seven inches high. ²⁴ Overlay it with pure gold and make a gold molding all around it. ²⁵ Make a three-inch frame all around it and make a gold molding for it all around its frame. ²⁶ Make four gold rings for it, and attach the rings to the four corners at its four legs. ²⁷ The rings should be next to the frame as holders for the poles to carry the table. ²⁸ Make the poles of acacia wood and overlay them with gold, and the table can be carried by them. ²⁹ You are also to make its plates and cups, as well as its pitchers and bowls for pouring drink offerings. Make them out of pure gold. ³⁰ Put the Bread of the Presence on the table before me at all times.

THE LAMPSTAND

³¹ “You are to make a lampstand out of pure, hammered gold. It is to be made of one piece: its base and shaft, its ornamental cups, and its buds and petals. ³² Six branches are to extend from its sides, three

branches of the lampstand from one side and three branches of the lampstand from the other side. ³³ There are to be three cups shaped like almond blossoms, each with a bud and petals, on one branch, and three cups shaped like almond blossoms, each with a bud and petals, on the next branch. It is to be this way for the six branches that extend from the lampstand. ³⁴ There are to be four cups shaped like almond blossoms on the lampstand shaft along with its buds and petals. ³⁵ For the six branches that extend from the lampstand, a bud must be under the first pair of branches from it, a bud under the second pair of branches from it, and a bud under the third pair of branches from it. ³⁶ Their buds and branches are to be of one piece. All of it is to be a single hammered piece of pure gold.

³⁷ “Make its seven lamps, and set them up so that they illuminate the area in front of it. ³⁸ Its snuffers and firepans must be of pure gold. ³⁹ The lampstand with all these utensils is to be made from seventy-five pounds of pure gold. ⁴⁰ Be careful to make them according to the pattern you have been shown on the mountain.
