### JUDAH'S INHERITANCE

**15** Now the allotment for the tribe of the descendants of Judah by their clans was in the southernmost region, south to the Wilderness of Zin and over to the border of Edom.

**2** Their southern border began at the tip of the Dead Sea on the south bay **3** and went south of the Scorpions' Ascent, proceeded to Zin, ascended to the south of Kadesh-barnea, passed Hezron, ascended to Addar, and turned to Karka. **4** It proceeded to Azmon and to the Brook of Egypt and so the border ended at the Mediterranean Sea. This is your southern border.

**5** Now the eastern border was along the Dead Sea to the mouth of the Jordan.

The border on the north side was from the bay of the sea at the mouth of the Jordan. **6** It ascended to Beth-hoglah, proceeded north of Beth-arabah, and ascended to the Stone of Bohan son of Reuben. **7** Then the border ascended to Debir from the Valley of Achor, turning north to the Gilgal that is opposite

the Ascent of Adummim, which is south of the ravine. The border proceeded to the Waters of En-shemesh and ended at En-rogel. <sup>8</sup> From there the border ascended Ben Hinnom Valley to the southern Jebusite slope (that is, Jerusalem) and ascended to the top of the hill that faces Hinnom Valley on the west, at the northern end of Rephaim Valley. <sup>9</sup> From the top of the hill the border curved to the spring of the Waters of Nephtoah, went to the cities of Mount Ephron, and then curved to Baalah (that is, Kiriath-jearim). <sup>10</sup> The border turned westward from Baalah to Mount Seir, went to the northern slope of Mount Jearim (that is, Chesalon), descended to Beth-shemesh, and proceeded to Timnah. <sup>11</sup> Then the border reached to the slope north of Ekron, curved to Shikkeron, proceeded to Mount Baalah, went to Jabneel, and ended at the Mediterranean Sea.

<sup>12</sup> Now the western border was the coastline of the Mediterranean Sea.

This was the boundary of the descendants of Judah around their clans.

## **CALEB AND OTHNIEL**

<sup>13</sup> He gave Caleb son of Jephunneh the following portion among the descendants of Judah based on the Lord's instruction to Joshua: Kiriath-arba (that is, Hebron; Arba was the father of Anak). <sup>14</sup> Caleb drove out from there the three sons of Anak: Sheshai, Ahiman, and Talmi, descendants of Anak. <sup>15</sup> From there he marched against the inhabitants of Debir, which used to be called Kiriath-sepher, <sup>16</sup> and Caleb said, "Whoever attacks and captures Kiriath-sepher, I will give my daughter Achsah to him as a wife." <sup>17</sup> So Othniel son of Caleb's brother, Kenaz, captured it, and Caleb gave his daughter Achsah to him as a wife.

<sup>18</sup> When she arrived, she persuaded Othniel to ask her father for a field. As she got off her donkey, Caleb asked her, “What can I do for you?” <sup>19</sup> She replied, “Give me a blessing. Since you have given me land in the Negev, give me the springs also.” So he gave her the upper and lower springs.
